Dear IGFOA Colleague:

Welcome to the 2022 Annual IGFOA Conference in Peoria! I am thrilled that after years of coronavirus cancellations and disruptions, we are finally able to return to a full conference and with it, all of the positive experiences available only at an in-person event.

Along with our usual informative and inspiring keynote speakers, this year's conference offers a full assortment of fantastic learning and CPE credit acquisition opportunities. Also, be sure to take advantage of the networking options this conference has to offer. Building and fostering relationships between government finance officials from around the state is one of the best reasons for attending.

This gathering would not be possible without the devotion and long hours given by the Conference Planning Team and IGFOA staff. I thank them for that. I also want to thank our Partners who not only help make this event possible, but also a multitude of other great events throughout the year.

It has truly been a privilege to serve as the IGFOA President for 2021-2022. In that time, I witnessed first-hand the dedicated work of my fellow board members, staff, committee members, task force participants and other volunteers who are integral in making IGFOA the great association that it is. Additionally, I was able to meet so many talented and dynamic people from around the state, people who truly excel not just as government professionals, but also as great human beings. I will never forget my time as president, and I can never thank you all enough for the honor you bestowed upon me to serve in that capacity.

William McCarty II
IGFOA President
2021-2022

Sincerely,

A handwritten signature in black ink that reads "William D. McCarty". The signature is fluid and cursive, with a long horizontal stroke extending from the end.

William McCarty II
IGFOA President
Director of Budget
and Management,
City of Springfield
