

Summary biography of:

Theodore S. Roman
Senior Managing Director
Bear, Stearns & Co. Inc.
Global Coordinator for Enhanced Long Strategies Group

Mr. Roman joined Bear, Stearns & Co. Inc. in 1997 and has more than 25 years experience in the securities industry. Currently, he is Global Coordinator of the Enhanced Long Strategies Group. In this role, he is responsible for assisting clients in the development and implementation of these strategies across asset classes globally. Mr. Roman has been a speaker and moderator at 130/30 events globally.

Prior to assuming his current responsibilities, he was a Relationship Manager in the Hedge Fund Relationship Group. In that capacity, Mr. Roman was responsible for coordinating access to all of the Firm's products for large hedge funds and large traditional money managers with significant hedge fund assets.

He received a BA from the University of Pennsylvania (*cum laude* with distinction in Economics). He was elected to the National Academic Honor Societies in Economics (Omicron Delta Epsilon), Mathematics (Pi Mu Epsilon) and Social Sciences (Pi Gamma Mu). He received an MBA from the Harvard Business School. Ted is a member of the AICPA and the New York State Society of CPAs.
