

LAKE FOREST GRADUATE SCHOOL: EMPOWERING ACCOUNTABILITY: A PATH TO EXCELLENCE

LEARNING SESSION IN PARTNERSHIP WITH IGFOA

12:00 - 1:00 PM CT | Tuesday, July 8, 2025 | via Zoom

FACILITATED BY:

ROB OGLE

Partner-Owner
Locus Wave

LFGSM Business Leader
Faculty® since 2017

Learn how empowering your workforce ignites accountability, creativity, and performance. This session reveals how autonomy and alignment can coexist, creating a motivated, proactive, and resilient team ready to face the future. Ideal for organizations seeking to boost job satisfaction and organizational resilience.

ABOUT THE FACULTY: Rob is an experienced leader with expertise in resources for decision management, coaching and training, consultative sales, and ethics. He holds a Leddin Group Guide certification that focuses on an operating system designed to drive greater discipline and develop impactful leaders that deliver sustained performance.

Rob is a Partner-Owner of Locus Wave, a telematics data company focused on the mining, transportation, and oil and gas industries. Before this, he served as the Chief Business Officer for Knolskape. Knolskape designed learning simulations for leaders. Rob also held roles at Merit and FranklinCovey. He is well-versed in leadership development, adult learning theory, and general communication skills.
