Dear IGFOA Colleagues,

Welcome to Springfield and the IGFOA 2024 Annual Conference! It's been an honor to serve as your President over the past year. The Conference Planning Team has been working hard over many months to pull together a great lineup of speakers on a wide variety of topics. The goal has been to offer sessions of interest to all—whether you're new to government finance and attending your first annual conference or a seasoned veteran exploring topics of interest and sharpening your skills.

Our keynote speaker Tuesday morning is author and leadership expert, Andy Masters, who will address the challenges of recruiting and retaining a skilled workforce. Brad Cole, Executive Director of the Illinois Municipal League, will provide a legislative update in Tuesday afternoon's general session. Wednesday morning will start with a general session on distilling complex financial information into more easily digestible formats for elected officials and the public, presented by Shayne Kavanagh of GFOA. We will close the conference with a general session presented by Patrick Ibarra on succession planning and developing bench strength in your organization.

Be sure to visit the Vendor Showcase and earn tickets for the chance to win some fabulous prizes! The IGFOA's partner program is critically important to the sustainability of IGFOA. Stop by and visit vendors you do business with currently and those you might need in the future. And don't forget to network! The conference is a great opportunity to share time with colleagues facing similar challenges. You won't want to miss Tuesday evening's event at Abraham Lincoln Presidential Library and Museum.

I want to take this opportunity to extend my sincerest appreciation for all that Diane Gillian Lantz, Executive Director, and Beth Beaty, Sr. Association Manager, have done for IGFOA. I would ask each of you to take a moment over the course of the conference to personally thank them for their contributions.

Have a great conference!

Sincerely,

Elizabeth Holleb

IGFOA PRESIDENT, 2023-24
Finance Director and Treasurer,
City of Lake Forest

Continuing Professional Education (CPE) Credits

Approved By the National Registry of CPE Sponsors

Illinois Government Finance Officers Association (IGFOA) is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State Boards of Accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through [nasbaregistry.org](https://www.nasbaregistry.org).

CPE credits are available for conference participants who attend educational sessions in-person and comply with the requirements established by NASBA as implemented by IGFOA.

Attendees wishing to receive CPE credit for qualifying educational sessions must complete and sign the Attendance Form distributed by the CPE monitors at the beginning of the session and return the form to a CPE monitor before leaving the session room. IGFOA staff will update your profile on the IGFOA website ([igfoa.org](https://www.igfoa.org)) with qualifying CPE credit in approximately one week.

For attendees who do not need CPE credit, consider completing and submitting the Attendance Form as proof of your participation in the annual conference. This is the only way IGFOA can confirm your attendance at the educational sessions.

IGFOA reserves the right to modify the annual conference schedule and/or speakers.
